

Please donate (now tax free) to SPGNA

SPG-North America chapter (SPGNA) has a scholarship fund to help Indian geophysics students and faculty members for their research, training and attending international conferences. We need financial support from members/patrons. We are requesting you to donate generously.

In 2011, SPGNA signed a Memorandum of Understanding (MOU) with GSH (Geophysical society of Houston) under which GSH has created a sub-account for SPGNA in their bank. **You can donate to SPGNA through GSH (tax free in USA)**. GSH is a nonprofit tax-exempt organization under 501(C)(3) of the IRS tax codes.

There are 3 ways you can donate to SPGNA:

1. **Donate using your company's give and match program:** Most of the companies based in USA have some kind of sponsorship program, in which the company will match the employee's donation to a registered non-profit organization up to some amount. This way you automatically save income tax and the non-profit organization you choose to donate to gets more money with your contribution. When donating using your company's give and match program, please select Geophysical Society of Houston (EIN 742171855) as the organization name and put "for SPGNA" as program to make sure your contribution goes to SPGNA. Also send an email to spgnam@gmail.com
2. **Donating with your personal check:** You can also write a check as donation to SPGNA and still get tax benefit in USA. Write your check payable to "GSH" and mention "SPGNA" on your check as shown below (an example of writing a check) to make sure it goes to the SPGNA fund. Send your check to Sanjay Sood (Sanjay Sood, 2327 High Landing Ln, Katy, TX 77494). Please also send an email to spgnam@gmail.com.
